

**Rif: DGL090****Apartment in historic building****Euro 140000****Dogliani**

One-of-a-kind object. Apartment with commanding views over the rooftops of Dogliani's old historic center, the majestic neoclassical dome of the cathedral, Monviso and the Alps. Located on the second and top floor of a building that formed the town's boundary walls in the Middle Ages, it includes an authentic 'gem' consisting of the top of the tower that surmounts the ancient 'Porta Soprana' gateway to the village. The recent restoration is worthy of the history this ancient building represents. The result is an exclusive gem of a living room with kitchenette, a bathroom and two rooms, one of which is the very 'Porta Soprana' mentioned above, still with old terracotta floors and wooden beams.
