Compendium of rustic houses for renovation ALta Langa

Euro 150000

Feisoglio

In the charming natural setting of Alta Langa, among woods and hazel groves, large compendium of rustic cottages with about 2 ha of land.

The compendium consists of a series of in-line buildings and a surrounding plot of land.

The condition of the buildings is partially habitable (however, to be updated) and partially to be renovated. The structure and roof are in good condition.

Property suitable for those who need considerable cubic capacity for receptive activities or communities.

Although the location is in open country, it is easily accessible via a paved municipal road and is a short distance from the nearest village (Feisoglio), which is 2 km away or Alba (28 km).
