Bossolasco

A short distance from the center of Bossolasco, a small village in the upper Langa also known as the village of roses, lovely fully furnished apartment with panoramic views of the hills and the Alps.

The housing unit is located on the second floor.

The entrance is onto a bright living room that overlooks the balcony from which you can admire the surrounding view.

There is also a fully equipped kitchen.

The hallway leads to the bathroom and the bedroom also with access to the balcony.

A cellar of about 13 sq m completes the property.
